

The regular meeting was held on Tues., Feb. 5, at the Planetarium of the Minneapolis City Library. The program was very interesting and entertaining. Our thanks to the Planetarium personnel.

The secretary has received four copies of the "Ann ouncement and coll for papers" for the 28th meeting of the North Central Region of the Astronomical League (Jim Fox, chairman). The meeting will be held on Saturday, May 18, 1974 at the Adler Planetarium in Chicago. The Chicago Astronomical Society will be host. These announcement will be available at the March meeting for anyone interested.

I also received a letter from Jim Fox, as chairman of the North Central Region, calling for nominations for persons to serve as Regional officers.

A sample of "Observer's Sky" came in the mail. It is a mimeographed monthly magazine put out by the Astro-Vue Co. in Sioux City, Iowa.

I will have the copy at the meeting for you to see.
