

TWIN CITY ASTRONOMY CLUB

Minutes of the Regular Meeting of Tuesday, October 7, 1975

SPECIAL MEETING

There will be a joint meeting with the 3M Club Astronomical Society on Tuesday Evening October 21, 1975 at the University of Minnesota, Physics Building, Room 131, at 8:15 P.M. Dr. Wayne Stein will speak on Infrared Radiation from Galaxies and Quasi-Stellar Objects.

The Meeting was held in the "Members' Lounge" of the Science Museum of Minnesota. It was opened by the President, Lauren Nelson, at 7:30 P.M. 34 members and guests were present. William Larson spoke about Atlanta, Georgia and the Annual Convention of the Astronomical League held there last August and showed his slides taken at the convention and in the City of Atlanta. He then played one of the talks which he had recorded. He has tapes of most of the talks given and is willing to loan them to interested members. Don Tate continued his discussion on the "digital Stop Watch".

The Executive Board met at the Science Museum on Saturday, Sept. 27, 1975 to discuss and complete the application for incorporation as a non-profit organization. Present were: Lauren Nelson, Wm. Larson, Howard McKenzie, Hubert U. Brueckner, John Botkin, Mark Jenkin, Cindy Blaha, and Kevin Marks. This application was filed on Thursday, October 2, 1975. We have now received our Certificate of Incorporation from the state of Minnesota as a non-profit organization. Gifts to the Twin City Astronomy Club can now be claimed as tax deductions.

The meeting was adjourned about 10:00 P.M.

Respectfully submitted,

Hubert U. Brueckner, Secretary

NEXT MEETING - Tuesday, November 4, 1975 at Macalester College, Olin Hall Room 200, at 7:30 P.M. Dr. Sherman W. Schultz will talk on Astronomical Activities at Macalester College.

Kevin Marks reports that he has reserved the "Members' Lounge" at the Science Museum for the first Tuesday of the month for all of our meetings for the coming year, 1976.

There will be an observing session at the Metcalf Nature Center Friday, October 31. Alternate dates, in case of inclement weather, are Saturday, November 1; Friday, November 7; or Saturday, November 8. Dress warm.
